

April 3, 2008

To All 2007 Golf Members and Potential New Members:

Welcome to 2008! This year will hopefully bring a drier golf season with less construction. The repairs to the course after the flood came in very well before winter set in and we believe that the early (and often) snow cover will help the newly seeded areas.

There are no changes to dues for 2008. Enclosed is a fees sheet showing member dues and extras totaled with the Minnesota Sales Tax. Along with this sheet is a form for you to calculate your total costs, with payment options and a place for your name, address and email address. I know that many of you have submitted regular and email addresses previously. Please take the time to give us that information again to be sure that our records are up to date. Email addresses will allow us to get special offers, event information and changing event calendars out to you quickly.

Member billing and charging for 2008.

The Bridges will no longer be billing out membership dues or monthly charges. Should a member wish to charge in the golf shop as in the past, they will need to provide a credit card which will be billed the first week of the following month for any golf shop charges incurred. The golf shop will keep copies of all charges billed.

Please feel free to give me a call at the golf shop – 452-3535 ext 2 or drop me an email at [bridgesgolf@hbc.com](mailto:bridgesgolf@hbc.com) should you have any questions, concerns or comments regarding the golf course or golf operation.

See you in the spring!

Bill MacAskill
